| BATBUSTERS BALCOM | VS | T2 PRIEBE         | SD2 / 3:10PM  | MON |

To better provide a clean and safe tournament experience for our tournament teams Oakland Yard asks that everyone strictly adhere to the following entry and exit guidelines we have implemented due to COVID-19.

Incoming players, coaches and spectators may not enter the building until 30 minutes prior to your team's first scheduled game time. This allows Oakland Yard staff to adequately clean and prepare our facility for incoming teams.

All players, coaches and spectators must exit the building within 15 minutes of the last out of your team's final game. Please be considerate of the incoming teams that will be unable to enter the dome until it has been completely cleared and properly cleaned.

All customers, athletes and spectators entering our domes will be required to wear a mask. Spectators will be asked to wear a mask throughout their visit. Athletes competing do not need to wear their mask on the field.

We have adopted a "ONE YOUTH ATHLETE" / ONE ADULT GUARDIAN" policy to reduce unnecessary crowding.

Please help us honor this policy by keeping siblings home if at all possible, as well as grandparents and extended family unless they are the guardian.

Everyone's cooperation is expected and appreciated as we all work together to continue tournament play throughout the indoor season.
